Dear Parent/Carer

We have had an increasing number of messages from parents and carers asking about coronavirus, and it is becoming difficult to respond to them all individually.

I am summarising what we are doing / will do in the face of the coronavirus situation which is dynamic and changing:

1. We are following the Government advice and we will only close when directed by the Government or Public Health
2. We have stepped up cleaning and checks on toilets and soap
3. We have a contingency plan in place if we are directed to close. This will support home learning and the maintenance of preparation for exams.

Please use the link below to see latest Government information & updates about COVID-19 Coronavirus:

We will continue to monitor the situation and keep in touch with you as it develops. Thank you for your support in protecting the health and wellbeing of our students.

Yours sincerely
