

Curriculum Area Learning Supervisor – SEND Department

The Role

We welcome your application for this position and if successful you will be joining our SEND Department led by Fiona Airey. This is a forward looking, dynamic department.

SEND Department

The department works with SEND, EAL and vulnerable students. We aim to provide a stimulating, rewarding experience for all our students. A team of Curriculum Area Learning Supervisors (CALs) works with students both inside and outside of lessons. CALs have a responsibility to lead interventions for small groups and also to cover some lessons for absent staff.

We are looking to appoint two new members to our team:

- One to undertake traditional CALs work and
- One to support the language acquisition of our non English speaking EAL students. This position has arisen due to a recent influx of EAL students, particularly those who are “New to English.”

We encourage team members to show initiative, creativity and innovation which is leading to an improvement in outcomes for all our students. The Faculty is committed to fully developing students’ confidence in their own abilities and demonstrating that the learning experience can be rich, challenging and enjoyable. We want our students to be self-motivated, independent learners.

Accommodation, Resourcing and Facilities

There are Specialist areas on both sites and all are equipped with resources to support students. All Key Stage 3 & 4 students have their own iPad.

CALs have a flexible and positive approach to daily challenges and enjoy a close working relationship with a wide range of staff members. We are fully integrated into all aspects of school life.
