

Our Ref: ALS/HMH

9<sup>th</sup> December 2019

Dear Parent/Carer

Uniform is an important part of our school and by following our uniform rules our students learn vital life skills that they can apply in the work place later in life.

Our School Uniform Policy does not include hoodies. Students should wear a white shirt with tie and their blazer. During the winter an outdoor coat, not a hoodie, should be worn to keep students warm and dry.

From Monday 6<sup>th</sup> January 2020 we will be enforcing the 'no hoodie' aspect of our Uniform Policy (This includes D of E Hoodies). Students wearing a hoodie will be asked to leave it at the Pastoral Office and collect it at the end of the day.

Our Uniform Policy includes a PE hoodie. Students are allowed to wear their PE hoodie during their PE lesson, on the way to school if they have PE Period 1 and on the way home from school if they have PE Period 3.

I have copied the Home School Agreement on the back of this letter so we can all begin 2020 with clarity around our expectations.

Yours sincerely

Annabel Stoddart  
**Headteacher**
