April 2017

Dear Parent / Carers

Thank you for completing the feedback form that was distributed with our February reports. The outcomes are shown below.

This suggests that some students cannot articulate with parents/carers what they need to do to improve in all their subjects. Currently there are two approaches to support this:

1. Students have a Half Term Focus agreed with all their teachers and recorded in the back of their exercise books.
2. They also discuss targets for improvement as part of their mentoring sessions on a Monday or Friday.

To support this further, following the April reporting cycle, students will record the actions they need to take to improve in each subject in the first two weeks of term. The completed document should come home with your child by Monday 8th May 2017.

Yours sincerely
