Dear Parent/Carer

Abbot Beyne is committed to being an Outstanding school. As part of this commitment, it is very important that there is feedback from all parent/carers on key issues concerning Abbot Beyne.

Abbot Beyne has asked QDP Services to manage this process. QDP Services is an independent data processing agency and has managed similar surveys for other organisations efficiently and with individual anonymity. The guarantee of individual anonymity will apply fully to this survey. Your feedback and observations are valuable and the survey results will give us a benchmark against which we can judge future improvement.

The survey can be undertaken using QDP's online feedback software. To access the questionnaire and express your views, please use the following link and your responses will be communicated directly to QDP. The link has been sent via both letter and email:

Please complete this survey by Monday 13<sup>th</sup> March. The Governors will then analyse the outcomes and share these with you.

Thank you in advance for your support.
