

Our ref LT/GH

2nd November 2016

Dear Parent/Carer

Year 10 Skills Show

We have once again been given the opportunity to attend the nation's largest skills and careers event and will be taking our Year 10 students to the NEC Birmingham on Thursday 17th November 2016.

The Skills Show will inspire fashion designers, web developers and engineers of tomorrow with exciting opportunities in further education, skills and apprenticeships. During the visit, students will be able to have a go at new skills and get up to the minute careers advice as well as access apprenticeship and real job opportunities from employers.

The coach will leave the Linnell building at 8:45am on Thursday 17th November and students will return to school by 3pm. They will be required to wear full school uniform and will need to provide a packed lunch, (if they receive Free School Meals one will be provided). If possible, they should not bring large bags as there are no cloakrooms. Bag searches will be carried out at the NEC and any sharp items, aerosols and illegal substances will be confiscated and not returned.

In recognition of the importance of the trip to the students' core curriculum, Abbot Beyne School will be covering the costs for the whole year group.

Should you have any further queries, please do not hesitate to contact me.

Yours sincerely

Mrs L Timson
Assistant Headteacher/Director of Sixth Form

Everyone a Learner Everyone Learning.
